

# Japan Plans Ike Welcome

## Plan Rally of 600,000 For a Rousing Welcome

TOKYO (AP)—Japanese conservatives today made plans to rally 600,000 Japanese to give President Eisenhower a rousing welcome, countering leftist demonstrations against his visit.

Prime Minister Nobusuke Kishi's Liberal-Democratic party and Japanese business leaders joined in a "National Welcome Ike Committee" to ensure a warm reception when the President arrives June 19.

## Pilots Killed In Mid-air Jet Collision

### 2 Navy Men Bail Out; 2 Are Dead, In Illinois Crash

CARROLLTON, Ill. (AP)—Two F101 B voodoo jets collided in mid-air, exploded and crashed in flames today, killing two of the four test pilots aboard.

The sleek planes, capable of more than 1,000 miles per hour, plunged to earth about seven miles south of this southwestern Illinois community.

The dead were engineer pilots employed by the McDonnell Aircraft Corp. of St. Louis.

Their identities were withheld pending notification of next of kin. The other two pilots, identified as Lt. Cmdr. Albert Moro and Lt. Cmdr. John F. Ebersbaker, both of the Navy, parachuted to safety.

A spokesman at McDonnell said the Navy officers were aboard one of the jets, which was being tested prior to final acceptance by the Navy.

The McDonnell pilots were testing the other craft for engineering defects. They apparently were trapped in their jet.

The Navy officers were not believed to have been seriously injured.

An eyewitness, Kenneth Sanders of nearby Medora, said he heard the roar of the jet engines and then several sharp explosions.

## Plans In the Mill Since 1956

## Proposed Boys' Club Plans Discussed by Optimists

Proposed plans to organize a Boys Club of America in Sedalia were discussed Tuesday noon at the meeting of the Optimist Club held at Bothwell Hotel, by John (Bub) Brown, temporary president of the committee working on the project, and Omer West, Jr., secretary, who has been working on the idea since 1956. They were introduced by Jay Lazerson, program chairman.

Brown stated that research had been made on Sedalia for such a club, and it is believed that about 2400 boys come under the ages that derive the most benefit from such a club. The ages are eight to 17, but Brown pointed out younger and older boys would still be welcome.

A director would be hired for nine months, and because of the excellent baseball program already in progress in Sedalia, he might be considered to direct this program during the summer months, with additional activities added.

One organization, or group of individuals can't accomplish this alone, he told the group, but with all the civic clubs and other organizations working together, he felt it could be done.

The biggest single factor, he said, is that it is a place for boys to go. It is non-sectarian and open to any boy. The dues are 50 cents a year.

West told the group that civic clubs are the people who should spearhead such a project and the Optimist Club, which does so much for youth, should be among the leaders. Both Brown and West are Roarers and it is that club that is sponsoring it.

The club would be open every day during the hours when boys would have free time, 4 to 9 or 10 p.m. Its purpose would be to give a place for boys to grow, a place where they learn team work, a place of exploring new interest and talents.

A film showing a complete Boys Club was presented and it was explained that it is necessary to start small and grow. The main thing will be first to get a suitable building, and people to have

## Faces Jail and Fine In Bomb Report Case

NEW YORK (AP)—Peter W. Aske, 24, charged with falsely reporting a bomb aboard an aircraft, says it was all a gag. "I was only joking," he told a federal court jury Tuesday. He faces a maximum year in jail and \$1,000 fine if convicted.

## Bomarc Creates Scare

### Missile Fire Radiation Scare Ends

McGUIRE AIR FORCE BASE, N. J. (AP)—A needle-nosed Bomarc missile, battle-ready with an atomic warhead in its concrete launching pen, caught fire Tuesday, touching off a radiation scare.

The missile was badly damaged and some radiation seeped out of its nuclear tip.

First reports were that there was a threat of heavy radiation in the remote pinelands around the base.

The Air Force later said that the radioactivity—and a slight amount at that—was confined to the badly damaged launching pen.

Investigators of the Atomic Energy Commission, the Defense Department and the New Jersey Department of Health said they would all probe the incident.

The Air Force said the Bomarc caught fire as it nestled unattended in its concrete launching shelter, one of 54 at the missile base.

There apparently was a small explosion in the missile fuel system and then fire broke out, an Air Force spokesman said.

Firemen put out the fire at 4 p.m., 45 minutes after it started.

State police at the Ft. Dix barracks said they received a call from the base security police saying an atomic warhead had exploded and asking troopers to close off roads into the area.

Cars were stopped. Troops on maneuvers at Ft. Dix were pulled back as a precaution.

Decontamination men clad in special clothing checked the Bomarc base with geiger counters. The Air Force then gave an all-clear.

Few people live in the lonely pine area. The nearest home is more than a mile from the site.

The Bomarc missile base, located in a lonely 75-acre tract in the woods of adjacent Jackson Township, Ocean County, became operational last December.

## Lions Officers Elected

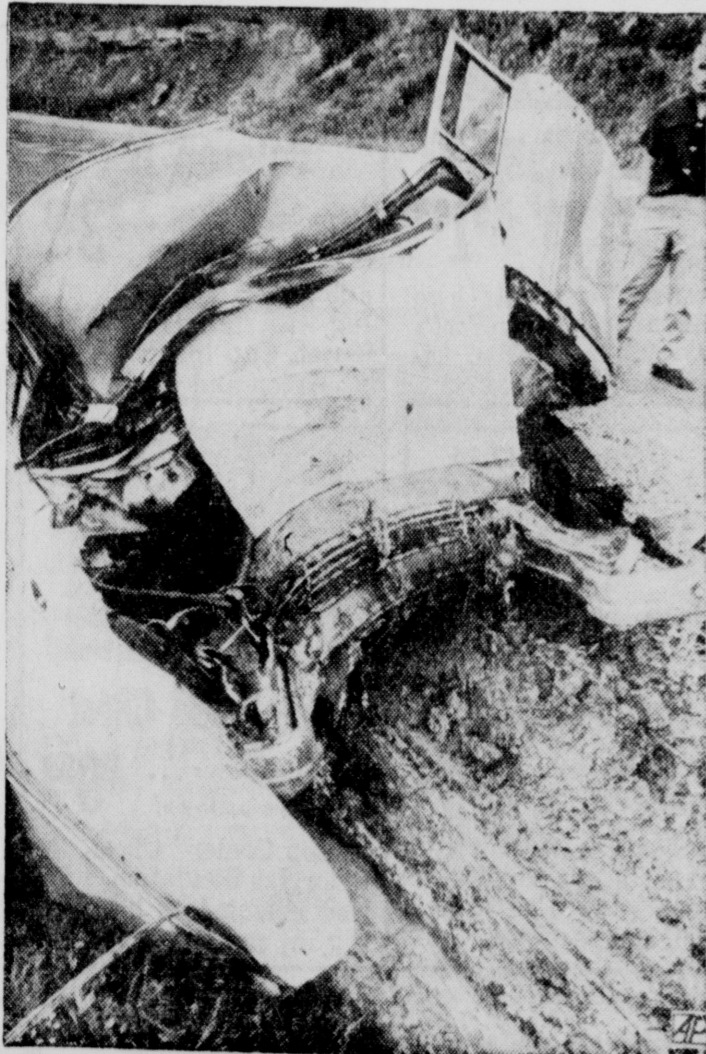

ST. LOUIS (AP)—Eight district governors were elected Tuesday at the Missouri state convention of Lions International.

They are: Ollie Kempf, St. Louis; Vernon O. Burkhalter, Jefferson City; Harry Hildebrand, Mexico; G. H. White, Peidmont; Kenneth Olive, Butler; Bill White, Union Star; Olan F. Moyer, Lexington and E. J. Tutt, Mansfield.

There will be no noon meeting next Tuesday, but instead will be the Opti-Mrs. picnic to be held at 6 p.m. at the shelter house at Liberty Park.

Scotty Crawford was installed by Lindstrom as a new member.

## Driver Is Dead

MARK OF THE PILLAR—The front end of this car was pushed back into a near perfect semi-circle when it crashed into a concrete pillar on the Kansas Turnpike near Admire, Kan. The car's only occupant, 52-year-old Harold Roscoe Leigh of Kansas City, Mo., was killed. A doctor said Leigh apparently suffered a heart attack, causing his car to swerve into the bridge pillar. (AP Wirephoto)

## Exchange Students Here

ICA Visitors in Sedalia

A group of exchange students from the Near and Far East, studying American sanitation engineering problems under the International Cooperative Administration, were visitors in Sedalia Tuesday night and Wednesday morning.

The group is being conducted throughout Missouri by Jess Barlow, supervisor of sewerage works for the Missouri State Water Pollution Board, and Thurman Sauls, Kansas City office of the US Public Health Service.

The visitors, all sanitary engineers from the countries they represent, are making a careful study of oxidation methods employed in sewage lagoons. Missouri is noted as being the leading and most successful exponent of the lagoon method of sewage disposal for smaller cities.

Under the ICA plan, the students will remain in the United States for one year. They have been here 11 months. They left Jefferson City Monday, and visited Emma, Alma, Higginsville, the Adams Dairy in Blue Springs, various installations in Jackson County, Pleasant Hill and LaMonte before coming to Sedalia.

## Subway Fire Prevention Being Sought

NEW YORK (AP)—Subway workers combed through New York City's miles of underground train tunnels today, seeking to prevent a repetition of the fire that trapped thousands in a smoke-clogged nightmare.

A third rail flash at 9:25 a.m. Tuesday set aflame a pile of refuse in a subway tunnel under Grand Central Terminal, stalling 14 rush hour trains. Hundreds of passengers were overcome by smoke.

Mayor Robert F. Wagner ordered a complete cleanup and a safety inspection of the entire subway system.

The order came after Transit Authority Chairman Charles L. Patterson said a private contractor on a repair job had left the trash several weeks ago and ignored a warning to clear it away.

Minor fires in the system are a common occurrence. More than 2,500 were reported in the past year. But the drama of Tuesday's blaze was unprecedented.

Below the surface of Manhattan, dense clouds of acrid smoke billowed into crowded subway cars. Some passengers were trapped in the heat and subterranean darkness for three hours. Above ground, thousands rushed to the Grand Central area—police, firemen, sightseers—and a massive traffic jam clogged the streets.

About 150 were taken to hospitals. Most left after emergency treatment.

## Bids Call Made For State Road Improvements

The Missouri State Highway Department this week issued a call for bids on an estimated \$9,000,000 in construction and improvements on 83½ miles of the state's highways in 22 counties, including the following projects in the Sedalia trade area:

Highway signing and marking on Interstate Route 70, in Cooper and Boone counties, from west of the junction with Missouri Route 135, in Cooper county, easterly to Columbia.

Benton: Route O, 6.2 miles grading and surfacing from Missouri Route 83, about a mile southwest of Fairfield, southerly to the Hickory county line.

Henry: Route MM, 4.8 miles grading and surfacing from Route K, about two miles south of Ulrich, southwesterly to the Bates county line.

Henry: Route AB, 3 miles grading and surfacing from Route K, about three miles south of Ulrich, southeasterly to a county road junction.

Lafayette: Route HH, 6.2 miles grading and surfacing from Missouri Route 131, about five miles south of Odessa, westerly to Route Z at Chapel Hill.

They plan to make an extensive study of a sewage lagoon installed on an experimental basis in Fayette by the US Public Health Service.

Shown in the above photo are, left to right: Hadi si Klani, Tripoli; Barlow; Mohieddin Sochi Ghezuan, Tripoli; Jose Melgar, San Salvador, El Salvador; Sauls; Boontham Chinyong, Korat, Thailand; Raden Soedigdo, Djakarta, Indonesia; Djanam Suranwidjarta, Bandung, Indonesia; and front, Daud Djajasudarma, Tandong Priok, Indonesia. (Democrat-Capitol photo).

## Ghost Is Ruled Out; But Not the Rats

LAGUNA BEACH, Calif. (AP)—Who or what is playing the judge's piano?

For the last two nights a piano—which hasn't been touched in years—has come alive in the night at the home of Judge C. C. Cravath.

The jurist says the notes are too strong for a mouse and it's no ghost. It could be some dirty rat.

## Concert Program Thursday Night At Liberty Park

The Sedalia Concert Band, under the direction of Lloyd Knox, has selected an outstanding program of hand music for presentation in the third concert of the season.

The program will be presented from the open-air recreation platform in Liberty Park, beginning at 8 p.m. Thursday. The selections, prior to the intermission, are:

"Hosts of Freedom March," King; "Across the Atlantic March," Alexander; "Rose Marie," Friml - Stohart; "Bugler's Holiday," Anderson; "Invercarigil March," Lithgow-Laurendeau; "My Hero Waltz Song" from "The Chocolate Soldier," O. Strauss; and "The Goldman Band," King.

After the intermission the band will offer "Gloria March," Losy-Seredy; "Two Hearts in Three-Fourths Time," Stolz; "The Panama Game," Adler-Rosi; "The Billboard March," Klops; "The Sunshine of Your Smile," Rag; and "The Man of the Hour March," Woods.

The concert will close with the playing of the national anthem.

A series of 12 concerts will be presented this season. Music for the series is furnished through a grant from the Recording Industry Trust Fund, arranged for through the cooperation of Local 22, American Federation of Musicians, in cooperation with the Sedalia Park Board.

## Press Time Bulletins

MOBERLY, Mo. (AP)—A 75-year-old wealthy widow was found dead in her home today, a gag in her mouth and her hands and feet tied.

She was Mrs. L. E. Faessler, who had lived alone since the death of her husband several years ago.

HARTFORD, Conn. (AP)—Violence broke out on picket lines today as a strike against the United Aircraft Corp. spread to seven of the company's plants.

They plan to make an extensive study of a sewage lagoon installed on an experimental basis in Fayette by the US Public Health Service.

Shown in the above photo are, left to right: Hadi si Klani, Tripoli; Barlow; Mohieddin Sochi Ghezuan, Tripoli; Jose Melgar, San Salvador, El Salvador; Sauls; Boontham Chinyong, Korat, Thailand; Raden Soedigdo, Djakarta, Indonesia; Djanam Suranwidjarta, Bandung, Indonesia; and front, Daud Djajasudarma, Tandong Priok, Indonesia. (Democrat-Capitol photo).

## Aim Squeeze At Symington And Adlai

WASHINGTON (AP)—A pincers movement aimed at squeezing Sen. Stuart Symington (D-Mo) and Adlai E. Stevenson out of the Democratic presidential nomination race was under way today.

Supporters of Sens. John F. Kennedy (D-Mass) and Lyndon B. Johnson (D-Tex) worked independently to chop what support they could away from their two rivals.

Johnson's strategists said some Symington delegates had made overture to them. Kennedy's camp claimed some success in wooing Stevenson backers, including endorsement of Kennedy by three men who had been close advisers of Stevenson in his 1952 and 1956 presidential campaigns.

Outside of Symington's support, there was a general consensus that Kennedy and Johnson, the Senate's Democratic leader, have come close to making it a two-man affair with the odds pointing to one or the other as the eventual nominee.

The Symington camp contended that the Missouri senator will be the man most available if the two leaders bump into a stalemate.

They hope former President Harry S. Truman, now openly supporting Symington, will be able to help maneuver the Missouri senator into position at the proper time.

Stevenson's backers in Congress are inclined to count Symington out of the running. Their view is that if there is a voting deadlock, the delegates will turn again to Stevenson. They concede the odds are strongly against any such result.

Stevenson, who has said that he isn't seeking the nomination and doesn't expect to get it, is reportedly preparing a statement to clarify his position.

It could come as a reply to Sen. Hubert H. Humphrey (D-Minn), who recently wired the former Illinois governor asking when he was going to "make a direct move for the nomination."

## Recommend Increase For Rail Workers

WASHINGTON (AP)—A presidential emergency board today recommended a five-cent hourly wage increase for 650,000 railroad workers who have threatened strikes against almost every American railroad.

The wage rise should take effect July 1, the board advised President Eisenhower. It recommended also that the parties negotiate a "number of improvements" in the rail industry's health and welfare program.

The latter benefits, the board said, should take the place of a further general wage increase when contracts with 11 railway labor organizations expire early next year.

# Negotiations Deadlock In Missile Strike

## No Progress Is Made In Mediation Session

SAN DIEGO, Calif. (AP)—Negotiations were deadlocked today in the crippling strike against the vital Atlas missile program as Convair—makers of Atlas—cancelled all union membership clauses while vowing to continue economic benefits of its labor contract.

C. Z. Lindsay, chief negotiator for the International Assn. of Machinists, countered that the morale of workers "is still high despite company's action which in effect removes many of their rights and privileges."

A two-hour mediation session ended with no progress—and no new time set.

In a statement which a union official called "radical," Convair division of General Dynamics stated:

"All employees at Convair's three California operating divisions and all off-site bases will be told today that 'the company does not intend that any employee who is on the active payroll and working will suffer any economic loss because of the union's action.'"

"As evidence of its good faith, Convair has put into effect for all hourly employees the one-cent cost of living increase that would have been authorized on June 6 under the old contract."

"We do not feel that employees should be penalized for the actions of the IAM leadership."

Clauses cancelled by Convair include those providing for collection of union dues by the company, grievance procedures and union business inside the plants.

Lindsay said the IAM has made provisions for voluntary collection of union dues.

Convair said union security is the key issue of the strike.

"We believe all of our people should be free to determine for themselves whether or not they wish to belong to a union."

## Seals Murder Charge

ST. JOSEPH, Mo. (AP)—The circuit court Tuesday certified a first degree murder charge against Edward R. Wright, 17, in the killing of an operator of a loan and sporting goods store here.

Police said Wright admitted he shot Isadore Litvak to death in a robbery attempt at the store.

## At 118th Annual Commencement

## 23 Sedalians Get Degrees At MU Ceremonies Tuesday

Students from almost every community in Missouri and from 35 other states and 17 foreign countries were among the 1453 who received degrees Tuesday night at the 118th annual commencement exercises of the University of Missouri.

In addition to these, there were also 498 students who completed the requirements for degrees at the close of the fall semester in January, making a total of 1951 in last night's graduating class. Many of the January graduates returned to participate in the exercises.

Sedalians receiving degrees were: Donald Jean Allcorn, 804 East Tenth, AB; Donald Lloyd Barnes, 909 West Tenth, LLB; Louis Michael Barsch Jr., 418 East Third, BS in business administration; Loren E. Broadus, 1409 South Barrett, MD; Donald

Marvin Bryant, RFD 2, BS in EE; Betty Jo Rice Crutcher, Fifth and Lamine, BS in nursing; Margaret Kathryn Eickhoff, 705 West Fifth, AB with distinction; Sandra Lou Gates, 604 West Fifth, AB.

James William Haley, 215 South Grand, AB; Emma Suzanne Holst, 1014 East Tenth, BS in education; Jack Jerome Isgur, 908 West Third, LLB; Urban Lewis Kramer Jr., 608 South Lamine, BS in agriculture and DVM; Barbara Elise Lamy, 619 West Third, AM; Robert William Mason, 1810 West Broadway, BS in business administration; Phyllis Ann Nebeling, 617 Wilkerson, BS in home economics; John Herman Nutt, RFD 5, BS in agriculture; Donald Elloyd Percival, 2308 East Broadway, BS in forestry; Willard C. Reine, 2521 Woodlawn, LLB; Janice Fay Ringen, 1910 South Montgomery, BS in business administration; Robert Lilburn Rutter, 1011 South Murray, BS in EE; Virginia Stafford, 419 Dal-Whi-Mo, BJ; Wayne C. Thomas, RFD 5, MS.

Elinor Van Dyke Gaunt, RFD 1, Smithton, BS in nursing. The degrees were conferred by University President Elmer Ellis, who also conferred commissions in the armed services of the United States on more than 100 of the graduates who had completed advanced ROTC requirements, conferred titles of Emeritus on five members of the University faculty and staff, and conferred honorary doctorate degrees on five distinguished Americans.

Dr. Carl C. Taylor, noted rural sociologist and authority on rural development and population, told the graduating class that "what others expect of us, we come to expect of ourselves. Whom they believe we are, we tend to become." The title of his commencement address was, "Other People."

## Shedding Time

More and more brothers of the brush are shedding their beards. With the cool weather we've been having it's a wonder they don't come down with the flu.

Partly cloudy tonight and Thursday; warmer tonight; low tonight 57; high Thursday 74.

The temperature Wednesday was 62 at 7 a.m. and 77 at 1 p.m. Low Tuesday night 56.

The temperature one year ago was, high 88; low 66; two years ago, high 93; low 73; three years ago, high 86; low 67.

Lake of Ozarks stage: 56.1 feet; stationary.

One of Six Contest Events

## Bareback Bronc Riding, J Bar H Rodeo Feature

BERT FRANCE, Las Vegas, Nev., in action on a bareback bronc. France, one of the nation's leading riders, is among the many cowboys to compete in bareback bronc riding during the Ninth Annual J Bar H Rodeo, July 1, through July 9.

Most of the odds favor the horse in bareback bronc riding, one of the six contest events scheduled for every performance of the Ninth Annual J Bar H Rodeo to be held in Camdenton July 1 through July 9.

The bareback bronc ride is for eight seconds and the cowboy gets to use only one hand on a piece of leather, cinched around the bronc just back of the withers.

In addition to using only one hand, the cowboy is required to spur the horse over the shoulders on the bronc's first leap out of the chutes. And, if he wants to impress the judges, the rider had better keep throwing the spurs until the whistle sounds.

Champion Jack Buschbom, Cassville, Wis., is among the many famous bareback bronc riders planning to be in Camdenton next month. The Wisconsin bronc buster had already won \$6,385 in this event as of the middle of last month. Other top riders to be on hand include Harry Tompkins, Dublin, Tex.; Bert France, Las Vegas, Nev.; Daryl Hobdy, Gooding, Ida.; and Clyde Frost, LaPoint, Utah. There will be many other top hands trying for a slice of the fat J Bar H purse.

Other thrilling contest events for each of the nine performances are saddle bronc riding, wild horse race, steer wrestling, calf roping, and brahma bull riding.

Ticket orders for the big 1960 J Bar H Rodeo are pouring in at the fastest clip in the history of the event, but there are still plenty of seats for each performance. Complete information may be secured by writing to: J Bar H Rodeo, Camdenton.

Completes Jail Term For Wedding Thefts

MIAMI, Fla. (AP)—A girl who ransacked 20 homes to get a trou-sau before marrying her soldier sweetheart, has been placed on probation.

Donna Jean Dressell Dickinson, 18, was arrested last Dec. 1 and sent to the women's prison at Lowell, where she completed her high school education and was graduated with honors.

"Unless you did a little time," criminal court judge Ben C. Willard told her Tuesday, "I could see you were well on your way to other troubles and even a longer stay in jail."

Willard suspended her sentence on a day to day basis so she could join her soldier husband.

To Protest to Ike

MANILA (AP) — A Manila labor leader vowed today to stage a protest demonstration when President Eisenhower arrives June 14. Ignacio Lacina of the National Labor Federation said he would lead a parade before the U. S. Embassy calling for settlement of Philippine war damage claims and "respect for Philippine sovereignty" over U. S. military bases here.

## Advices Men to Teach Wives About Business

LOS ANGELES (AP)—It's more important to leave your wife with a course in business than a fur coat says probate court examiner Marijane Brown.

In a speech Tuesday she advised married men:

"Teach your wife to budget, so in case you die first, she will be an efficient executrix of your estate."

"Teach her about business, stocks and bonds."

"Give her lots of wonderful memories to dwell on."

"She'll appreciate your personal attention now a great deal more than she will a yacht or fur coat when you're dead."

## PUBLIC SALE

I will sell at public auction one lot of household furnishings, dishes, antiques, cooking utensils, some of which are listed below at 800 East 18th Street, Sedalia, Mo. on

**SATURDAY, JUNE 11th beginning at 1:00 P.M. Sharp**

1 Very old iron bed, springs and mattress	1 Copper boiler

Adults \$1.00 Children 75c

Net proceeds from the project will be used to back-stop the club's treasury for such service projects as Little League Baseball, Junior Golf, Safe Driving Road-o, the Rural Santa Claus program and Youth Fitness Day.

## Chevy middleweights get 1/3 more work done in a day!

Where they used to deliver 2,300 gallons of liquefied petroleum gas in other trucks, Petrolane Gas Service of Long Beach, California, can now deliver 3,500 gallons a day! That's 7 days a week usually, over back trails and up into high rock country with maximum GVW loads. And with Chevy's Torsion-Spring Ride paving every foot of the way! "You don't get any more jolting on washboard roads than you do in a passenger car, or any sideway on curves," says driver Bernie Stone. "I used to take some rough roads at from 5 to 8 miles an hour. Now I can go 30 over them." Petrolane has over 200 Chevrolets hauling for them.

If you think we're excited about Chevy's independent front suspension, you ought to talk to the truck owners who are profiting by it. They'll tell you Chevy's torsion-spring design is the hottest thing to hit the industry since trucks began. Drive one—that's the proof, short and sweet.

## 4-H Girls In Meeting

The Striped College 4-H clothing 11 girls met at the school June 7, 1:30 p.m., with nine members and three leaders present. The class sewed on dresses and housecoats. The meeting was adjourned at 4 p.m.

## Brothers Arrested In Gasoline Theft

COFFEYVILLE, Kan. (AP) — Two brothers have been arrested, and County Atty Glenn Tonwith wholesale theft of gasoline from the Coffeyville Co-Op Refinery.

The brothers were Dale and C. W. Brackett, truckers for the Fullerton, Oil Co. of Sarcoxie, Mo. They were charged with receiving stolen property, and released on \$750 bond each in magistrate court at Carthage.

Both refused to waive extradition, and County Atty. Glenn Tongier said proceedings would be instituted to extradite them to Kansas for trial.

One of the 16 arrested in the case so far, A. H. Cranor, Independence, Kan., a gasoline distributor, pleaded guilty and was placed on parole for two years.

## Test Is Flunked By Cupid In Michigan Court

LANSING, Mich. (AP) — June—traditional month for marriage—is bustin' out all over. But Cupid has flunked a test in the Michigan Supreme Court.

The court, in a 4-4 split Tuesday, refused to upset a ruling of the school board at Mesick, Mich., that bans married high school students from extra-curricular activities.

The ban is two years old. The two students against whom it was directed have since graduated.

Mesick, a rural community of 359 residents in the northern part of Michigan's lower peninsula, was split when the action was approved by the Wexford County Circuit Court.

"Married students need all the extra time available to provide a proper family life," the board ruled in 1958.

Husbands Ronald Cochrane and David Shively, both 18, were barred from playing for the Mesick High School football team. They weren't allowed to play in the school band nor could they escort their wives to a dance or other school affairs during their senior year.

Cochrane and Shively married their high school sweethearts with parental consent during the 1958 summer vacation.

## Bremer Family Meets At Park For Reunion

The annual Bremer reunion was held at Liberty Park Sunday, June 5, a contributive dinner was served at noon with 41 present.

Officers were elected for the following year as follows: Mrs. Oscar Oehrke, president; Charles Hopkins, vice - president; Mrs. Ruth Bremer, secretary and treasurer; hostess committee, Mr. and Mrs. Bernard Stanfield, Mr. and Mrs. Edwood Olsen.

Suggestion was made to change the date of the reunion from the first Sunday in June to the last Sunday in June. A suggestion was also made to report all new marriages and births.

There was one marriage, Mr. and Mrs. Ronald Homan Aug. 7, 1959. There were five births reported, Bonnie Jean Johnson, daughter of Mr. and Mrs. F. D. Johnson born Oct. 7, 1959; Cynthia Sue Schaberg, daughter of Mr. and Mrs. Bennie Schaberg, Jeanette Rae Bottcher, daughter of Mr. and Mrs. Amos Semkin, born April 22, 1960; Stacy Semkin, son of Dr. and Mrs. Dennis Semkin born Jan. 31, 1960.

Those attending were: Mr. and Mrs. Raymond Morarity and daughters, Mr. and Mrs. Earl Homan, Mr. and Mrs. Ronald Homan, Mr. and Mrs. Bennie Schaberg and Rickie, Mrs. Joseph Hubert and Debbie, Mr. and Mrs. Bernard Stanfield and family, Mr. and Mrs. Amos Semkin and family, Mr. and Mrs. Hersel Bremer, Mr. and Mrs. Oscar Oehrke and Cecil, Mr. and Mrs. Charles Hopkins and family, Mrs. Eda Semkin and Richard Semkin, all of Sedalia, Mr. and Mrs. Clarence Bremer, Florence, and Mr. and Mrs. Clarence Bremer Jr. and family, Otterville.

MRS. AMERICA FINALISTS — Getting as close to the pool as their pretty clothes will permit are three contestants in the finals of the Mrs. America contest at Fort Lauderdale, Fla. They are, from left: Mrs. Kansas who is Mrs. Howard Storey of Wichita; Mrs. Missouri, Mrs. George Likens of Springfield; and Mrs. West Virginia, Mrs. Edwin C. Cotner of Vienna. Mrs. West Virginia is a graduate of Kansas State University. The pool and patio is part of the \$30,000 home which Mrs. America will receive. (AP Wirephoto)

## Ernst Named Speaker During Centennial At Diamond, Missouri

DIAMOND, Mo. (AP) — Roger C. Ernst, assistant secretary of the Interior, will be the speaker during a centennial observance and dedication of the George Washington Carver museum July 17 at the Carver National Monument west of Diamond, Mo.

The announcement was made by Mrs. Juanita Wallower, of Diamond, chairman of the Carver District Assn. The museum is the only national monument in Missouri.

## Circus Beats Heat By Calling Off Shows

SARASOTA, Fla. (AP) — Officials of Ringling Bros. and Barnum & Bailey Circus have found a way to beat the July heat—take off for a month.

They plan to call the show off the road next month and let the performers rest at Sarasota.

"A study showed that July is just too hot for good circus business," William W. Perry, executive assistant, said Tuesday. "After the hot weather the animals and performers will be able to give better performances."

## Soviet Change Seen By Movie Producer

PHILADELPHIA (AP) — Russian-born Boris Morros, movie producer and former counterspy for the FBI, predicts Soviet Premier Nikita Khrushchev will be replaced by Mikhail Suslov, a member of the Presidium.

"He (Suslov) is the only one who can justify the overthrow of Khrushchev by the Stalinists," Morros said Tuesday in an interview.

Ambulance Serv. TA 6-8000

## Annapolis Anchor Man Won't be Left

ANNAPOLIS, Md. (AP) — The most celebrated man at the Naval Academy's graduation exercises today, next to Alton K. Thompson of Dallas, Tex., will be George Sample Grossman III of Huntington, N.Y.

Thompson is the honor man in his class, finishing No. 1. Grossman is the anchor man, finishing 797th.

Honoring the anchor man is an old Navy custom. He cheerfully waves a miniature anchor, with blue and gold ribbons, while classmates hoist him to their shoulders and photographers flash away.

## OBITUARIES

**Wilma M. (Kramer) Lampman**  
Wilma Marie (Kramer) Lampman, 22, Route 1, Blue Springs, died at the Warrensburg Medical Center at 10 a.m. Tuesday morning. She had given birth to a baby daughter Saturday, June 4.

Mrs. Lampman was born Sept. 5, 1937, in Windsor, daughter of Russell and Ellen Marie Kramer. She graduated from Windsor High School in 1955.

On Sept. 23, 1956, she was married to Everett Allen Lampman. They made their home in Kansas City for a while where Wilma worked for the Old American Insurance Co. They later moved to Blue Springs.

Mrs. Lampman was a member of the Blue Springs Baptist Church.

She is survived by her husband of the home and the infant daughter, Trinda Jeanette; her parents, Mr. and Mrs. Russell Kramer of Windsor; her maternal grandmother, Mrs. Ruby Twyman of Drexel; and her paternal grandmother, Georgia Kramer of Sedalia; along with several aunts, uncles and many friends.

Funeral services will be held at 2 p.m. Thursday at the Blue Springs Baptist Church with the Rev. Harold Evans officiating. Burial will be in the Leeton Cemetery, Leeton.

The body will lie in state at the Gouge Funeral Home, Windsor, until 10 a.m. Thursday. It will then be taken to the church in Blue Springs for services.

### Cletus L. Fitzgerald

Cletus L. Fitzgerald, 66, former operator of Fitzgerald & Co., Kansas City, died Tuesday at St. Luke's Hospital after a long illness. His wife, Anne Ryan Fitzgerald, is a former Sedalian and the sister of Joe Ryan, 308 South Grand.

Mr. Fitzgerald was born in St. Louis, and after operating music stores in Sedalia and St. Charles, went to Kansas City in 1918, where he operated the Baldwin store. In 1940 he formed Fitzgerald & Co., manufacturers of steel cabinets and a wholesale distributing firm for electrical appliances. He retired two years ago.

Surviving are his wife of the home, 17 West 65th, Kansas City; a daughter, Mrs. Joan Bernheimer, Kansas City; two brothers, Claude C. Fitzgerald and John J. Fitzgerald; and two sisters, Miss Martha C. Fitzgerald and Mrs. Annette Orel, all of St. Louis, and five grandchildren.

A son, Thomas C. L. Fitzgerald, a lawyer, died in 1955.

He was a member of St. Peter's Catholic Church in Kansas City, the Elks Lodge, Kiwanis Club, the Chamber of Commerce, the Electrical Association, the Knights of Columbus, and the Holy Name Society. He attended Christian Brothers High School and College at St. Louis, and served in the Army in World War I.

Funeral services will be held at 9 a.m. Thursday at the church. The rosary will be recited at 8 p.m. Wednesday at the Melody-McGilley-Eylar Chapel in Kansas City.

Burial will be Friday in Calvary Cemetery in St. Louis.

### George A. Wagner Rites

Funeral services for George A. Wagner, retired businessman from California, who died in the Boone County Hospital in Columbia Tuesday, will be held at 2 p.m. Thursday at the Williams Funeral Chapel with the Rev. Jared Taylor, pastor of the California Methodist Church, officiating. Burial will be in the California City Cemetery.

### Hugh William Smith

Hugh William Smith, 79, died at his home ten miles northeast of Sweet Springs June 7 at 6:30 a.m.

He was born May 12, 1881, in Saline County. He was the son of Elizabeth Francisco and Thomas Austin Smith. He was married to Ollie Wheeland Dec. 20, 1905. She preceded him in death in 1920. Their children are Irene Smith, Kansas City; William Smith Jr., Sweet Springs; Cameron Smith, Sweet Springs, and James Edwin Smith, Sweet Springs.

He was married to Cora Lynch April 8, 1922, in Sedalia. She survives him. To this marriage were born Dorothy Fonville, Kansas City; Lee Smith, Carrollton; Fern Hardinger, Raytown, and Ralph Smith, Raytown. One son, Harry E. Smith, died in 1923.

Mr. Smith had 14 grandchildren. Funeral services will be 2:30 Thursday afternoon at the Elmwood Methodist Church, the Rev. M. H. LaFollette, Anderson, Mo., officiating, assisted by the Rev. Lon Anishanslin of Marshall.

Burial will be in Pisgah Cemetery. The body will remain at the Parker Funeral Home until 1:00 p. m. Thursday. Music is under direction of Ledru Baie. He will sing and his wife will accompany him.

### Lawrence Brandenburg

Lawrence Brandenburg, a retired railroad employee, 503 East Fifth, died at the Wabash railroad hospital in Moberly Tuesday afternoon. He had been taken to the hospital earlier in the day by the McLaughlin Funeral Chapel ambulance.

He is survived by a daughter, Mrs. Melvin Acton, California; three grandchildren; two sisters, Mrs. Molly Collins, 303 West Fifth, and Mrs. Bertie Mae Smith, Belle Plaine, Kan.; two brothers, Fred Brandenburg, Moberly, and Taylor Brandenburg, St. Louis, and several nieces and nephews.

Mr. Brandenburg was a member of the East Sedalia Baptist Church. Funeral services and burial will be in Moberly, with the service at 2:30 p.m. Thursday. The Mahan Funeral Home is in charge.

### Mrs. Anna Bridges Rites

Funeral services for Mrs. Anna Bridges, 83, of 309½ East Seventh, who died at Bothwell Hospital Monday evening, were held at the Ewing Funeral Home at 2 p.m. Wednesday.

The Rev. D. Warren Neal, pastor of the Broadway Presbyterian Church, officiated.

Organ music was played by Mrs. Mae Moser. Pallbearers were Kenneth King, George Borchers, Charles King, Delbert Kaiser, Robert Newman and Robert Oman.

Burial was in Memorial Park Cemetery.

### Mrs. Matilda Walthall Rites

Funeral services for Mrs. Matilda Walthall, pioneer resident of Benton County, who died at the Windsor Hospital Tuesday, will be held at the Warsaw Baptist Church at 2 p.m. Thursday with the Rev. Davis, pastor, officiating. Burial will be in Riverside Cemetery. The body is at the Reser Funeral Home, where it will remain until time for the services.

## Garden Clubs to Hold Annual Pilgrimage

The Sedalia Garden Clubs will have their annual garden pilgrimage following the June meeting Friday, Mrs. R. A. Malone, Club 2, chairman.

The tour will include the following gardens: Mrs. Florence Elliott, 1320 South Warren, provided by Club No. 1; Mrs. Ted Gardner, 3001 Skyline Drive, by Club No. 2; Mrs. E. E. Brummet, 1401 East 14th; Mrs. G. V. Jones, 1401 West Fourth, and Mrs. C. L. Carter, 700 South Beacon, provided by Club No. 3; Mrs. Fred Wertz, 1715 West 14th, by Club No. 5; Mrs. Wilson Harbit, 1804 West 18th, by Club No. 6, and Mrs. E. J. Thomas, 633 East Ninth, by Club No. 7.

## Cecil Heads Awards Work For Optimist

Gerald Cecil, 1323 South Barrett, has been appointed Achievement and Awards chairman for 1966-67, in District 10, Optimist International, by Merle E. Ostergard, governor-elect of District 10.

Cecil, who well could be given the title of Mr. Optimist, served as president of the Sedalia Optimist Club in 1958-59, and inspired his club to receive the highest and most significant achievement any club can receive, "Honor Club," which signifies that the club has reached or exceeded its quotas or goals in all five major activities of the Club Achievement Program and has fully met all financial obligations to Optimist International. It was the first time that the Sedalia Club had achieved this honor.

The five things necessary to become an honor club is: membership, attendance, life membership, new club building, and boys' work.

The boys' work program must be well rounded and include an oratorical contest and a "Youth Appreciation Week" was so outstanding that he was requested to attend the International Convention in Florida and appear on the "Youth Appreciation Week" panel.

He chose for his club building project to build another one in Sedalia and sponsored the Optimist Breakfast Club, of which he has, also, become a faithful member, taking on any job that needed doing. This year he even accepted the appointment of secretary under the president-elect, Al Allgaier, an important office which he knew was hard to fill.

His record and attendance at meetings of the district had not gone unnoticed by officers of the zone and district. They have been high in their praise of Cecil. It was working closely with Gerald Cecil during his year as president, 1202 South Snead; Mrs. Other Griffith, Ottoville; Mrs. Ray Hudson, LaMonte; Mrs. Harry Atherton and son, Independence; Mrs. Joe Gresham and daughter, 515 East Booneville; Max Smith, Wichita, Kan., and George Lockett, 1624 West 14th.

Cecil's new job will be to present and explain the programs at zone and district meetings, showing the relationship between the two and to inspire clubs into being "Achievement and Award" conscious.

## Warrensburg Jaycee Officers Installed

Don Richardson, past president of the Sedalia Jaycees, was installing officer, and Ralph Scott, Sedalia, state executive vice-president, was guest speaker at the installation banquet for new Warrensburg Jaycee officers Monday.

Warrensburg officers that were installed were: president, Gene Tate; first vice-president, Marvin Leach; second vice - president, Wayne Dickson; secretary, John Kitterman; treasurer, Fred Koenig; members of the board of directors, Lon Larson, Joe De-Backer, Ken Nichols and Ken Sims.

## More Support Given County Health Center

The Northside Citizens Association recently voted unanimously to support the effort to make the County Health Center a permanent service.

Plans for the annual Fourth of July picnic, which will be held at Hubbard Park, were made with Mrs. Pearl Davis as chairman of the picnic committee. A meeting of her committee will be held Wednesday evening, June 8, at 7 p.m. at her home on West Johnson.

The entire community benefits from this Fourth of July picnic, because many worthy charitable causes receives a contribution from proceeds from the picnic, namely, Little League, Cancer Society, scholarship fund, Bothwell Hospital, United Fund, Civil Defense fund and other worthy causes.

The picnic is open to the public.

## Is Healthy Reminder Of Basic Soviet Aims

ANNAPOLIS, Md. (AP)—Henry Cabot Lodge, chief U.S. delegate to the United Nations, said today Premier Nikita Khrushchev's attacks on President Eisenhower serve as a healthy reminder that basic Soviet aims have never changed.

In a speech at the 120th commencement exercises at the U.S. Naval Academy, Lodge said: "We strive for our ideals and for a world at peace. Yet we know the road is difficult and dangerous. We know there can be misunderstandings, that our ideals can be distorted and that the possibility of violence is a familiar fact of our time."

"The most recent Kremlin press conference, for example, impresses first by its untruth, its unpleasantness and its crudity. Yet, on second thought, we can see it has a healthy reminder that basic Soviet aims have never changed."

## Fires In City

Gasoline leaking from a car in front of the Prudential Insurance Co. building at Fifth and Lamine Tuesday afternoon resulted in a still call by firemen to prevent the gasoline from catching fire.

Firemen answered a call to the Melita Day Nursery Tuesday afternoon, but on arrival they found the alarm had been accidentally set off.

A cigarette tossed in a pile of loose wood was given as the apparent cause of a fire at Bob Brown's garage, 110 South Lamine, at 10:05 a.m. Wednesday. Firemen estimated the damage at \$200 to the building.

## Police Court

The case of Carl Clements, 311 East Jackson, charged with disturbing the peace and destroying the property at the Welcome Inn on June 1 was withdrawn.

Beverly Cannady, 604 West Sixth, charged with blocking two parking meters, failed to appear and her \$2 bond was ordered forfeited.

W. C. Wingate, Route 1, charged with driving while under the influence of intoxicating beverage, failed to appear and his \$100 bond was ordered forfeited.

One overparker failed to appear and his \$1 bond was ordered forfeited and 121 others paid the 25-cent fee.

## Accidents

Two persons received injuries in a two-car accident which occurred at 4 p.m. Tuesday at the intersection of Highways 127 and 40 at Sweet Springs.

E. H. Hess, Lemon, Colo., received bruises about the legs; Mrs. Charles Rice, Cedar Vale, Kan., a passenger in the other car, received facial lacerations and a slight concussion. She was taken to Kansas City where she is to undergo further treatment and observation.

Hess was treated at the Roberts-Worley Clinic at Sweet Springs and released. According to the Highway Patrol report, a 1959 Chevrolet driven by Hess backed on to Highway 40 from the Dooley Cafe parking lot, when another 1959 Chevrolet, driven west on 40 by Charles Rice, collided with it. The Patrol reported the Rice vehicle could not stop in time to avoid the accident. The front of both vehicles were damaged.

The accident was investigated by Highway Patrol Trooper Tom Poindexter.

No injuries were received in a two-car accident which occurred at 415 West Seventh at 12:37 p.m. Tuesday.

Involved were a 1951 Chevrolet driven west on Seventh by Burville C. Todd, Republic, Mo., and a 1955 Chevrolet driven east on Seventh by Hillard L. Smith, Booneville.

The left rear fender of the 1951 Chevrolet and the right side of the 1955 Chevrolet were damaged. Todd received a police summons charging him with driving while under the influence of intoxicating beverages.

A two-car accident occurred at 7:30 p.m. Tuesday at Main and Osage. There were no injuries.

A 1957 Ford, backing on Osage, driven by W. C. Wingate, Route 1, and a parked 1956 Lincoln, owned by Bill Burkholder, 2401 Margaret Ave., were involved.

The rear of the Ford and the left rear of the Lincoln were damaged.

Wingate received a police summons charging him with driving a motor vehicle while under the influence of intoxicants.

## Police Reports

Dickie Rodewald, 501 West Second, reported Tuesday that someone stole his Schwinn bicycle.

A black 1957 Pontiac registered in the name of Fred McKeenan, Knob Noster, was towed off the Findland Glass Co. lot Tuesday morning.

E. G. Kehde reported Tuesday that someone took the cash out of the Pepsi Cola machine at the laundry at 1809 South Limit. He said that apparently the money was taken through use of a key, because he could find no marks on the machine.

Beverly Cannady, 604 West Sixth, reported Tuesday afternoon that she had lost her tan purse.

A reported hold-up attempt

## New Red Cross Board Members Elected Tuesday

At a meeting of the Pettis County Chapter, American Red Cross, held Tuesday morning at the Red Cross Office, the following new members were elected to the board, their terms to expire in 1963: Judge Dimmitt Hoffman, L. O. Griffith, Jr., William E. Hurlbut, Mrs. Philip McLaughlin, T. W. Cloney, C. William Mathieson, Mrs. Olen Monsees, Mrs. H. A. Hite, William C. Corlew and Thomas U. Harvey.

Other members of the board are: Rev. Kenneth W. Davidson, John C. Ryan, David M. Wallington, Mrs. Walter Haynes, Oscar DeWolf, P. A. Sillers, W. E. Pace, Mary Elizabeth Tevebaugh, R. R. Jiedel and Mrs. Raymond Nagel, whose terms expire in 1961. Mrs. Edward E. Brummet, Mrs. John E. Lamy, Don Richardson, Maurice Hogan, Cecil Smith, Mrs. E. M. Stafford, Jr., Mrs. W. H. Weller, James T. Denny, A. K. Downs and N. U. Renshaw, terms expire 1962.

Maurice Hogan is chairman of the board.

Election of officers for the new year will be held at the next meeting which will be July 12.

## Bunceton Alumni Banquet Saturday

The sixth annual Alumni Banquet was held at the Bunceton High School Saturday night with an attendance of over 200.

Thomas A. Nelson gave the invocation and Claude Morris the welcome with Arthur Edwards, Columbia, giving the response. The business was taken care of by Claude Morris and the graduates recognized by Harold Mittel.

The graduate traveling the greatest distance was Mrs. Louis Roberts, Indianapolis, Ind. The oldest graduate present was Mrs. A. M. Harris, Bunceton.

## Knob Noster First Baptist Church To Hold Open House

Open house will be held at the First Baptist Church in Knob Noster Sunday afternoon, June 12, from 2 until 4:30.

The church recently has undergone an extensive interior and exterior redecorating program on the church building. Also there has been much interior redecorating on the church annex, located just west of the church.

The public is invited to attend the open house.

## Basket Dinner Given For Rev. Linus Eaker

On Sunday, June 5, members of the Lake Creek Methodist Church had a basket dinner in honor of their pastor, Rev. Linus Eaker.

This will be his fourth year as pastor of the church. The dinner was held in the church dining room following the morning worship service.

Those present were: Rev. Eaker, son and family, Dr. and Mrs. Charles M. Eaker, C. W. Judy and Jane, St. Albans, W. Va.

## Unwittingly Helpful

The insulting effort of Premier Khrushchev to smash the world image of President Eisenhower by calling him irresponsible and dangerous is foredoomed to failure.

As a spokesman for sanity in a shaky world, the Soviet Premier has done much to discredit himself by his intemperate outbursts.

Whatever else some of our free world friends abroad may think of Eisenhower as a statesman and diplomat, they know him beyond question as a man of good will totally dedicated to the quest for peace.

He is also a man devoted to duty. Men can and do question his concept of his duty, his measure of the powers and responsibilities of his high office. They do not doubt that his motive is to serve the American people, and through them all free men.

Khrushchev's insults will only stir new sympathy for Eisenhower. They are unlikely to suggest to any human hungry for peace that Khrushchev is the man to assure it.

His violence and intemperance, whether calculated or not, make HIM the dangerous one, the one unfit to hold responsibility in a great nation.

The Soviet premier suggested Eisenhower might do well as "manager of a children's home where we are sure he could do no harm." Khrushchev is unfit even for that. The noise he makes would wake the children.

It has already awakened the free nations to the insincerity of his peace posture and the still potent menace of his unaltered design for world conquest.

We can only speculate on the internal and external pressures which lead Khrushchev to this course. We can be glad, however, that they exist.

This is only one of countless times when the compulsions inherent in communism have produced stupidities which have helped free men out of difficulty.

We dare not rely on these stupidities always to save us. But we are lucky they have occurred so often.

### On The Political Scene

## Mr. K. Wants to Sabotage Ike's Trip

By DREW PEARSON

WASHINGTON — Inside reason for Nikita Khrushchev's virulent attacks against Eisenhower is not to influence the American elections, as so widely reported, but to tear down the President's image in Asia just before his trip to Japan.

This is the studied opinion of our best intelligence experts, formed, incidentally, shortly before Khrushchev's latest blast but not changed by it. They have come to the conclusion that Khrushchev has adopted the following strategy:

During Ike's December tour of Asia, Khrushchev had to sit on his hands in the Kremlin while the President received one of the greatest ovations in history.

Khrushchev couldn't interfere with this. He was bound by the pact of Camp David not to inspire criticism of the U.S.A. Now he is not bound, and he is determined to tear down the Eisenhower image all over Asia.

Khrushchev, U. S. experts point out, visited Indonesia and India shortly after Eisenhower, and received rather a cool reception. This must have galled the world's No. 1 egotist and he doesn't want to see any more enthusiastic welcome given Eisenhower.

#### Stalin's Off The Pedestal

U. S. experts also recall that Khrushchev has had a lot of experience in tearing down images. He is the man who startled the world by tearing down the image of Stalin and making it stick.

Today, one week before Eisenhower leaves for Japan, Khrushchev is in a position to do something about his reception there. Unquestionably he is already doing it. The anti-Eisenhower riots have become more violent and more embarrassing. The Tokyo police have been working extra shifts to stop them, without success.

This is in contrast to Ike's reception on his last two tours where even the Communists waved flags and poster reading "We Like Ike." In Italy, which has the largest Communist party in the world outside Russia, there was not one voice raised against Eisenhower last December. And the 1,000,000 Communists in Brazil did nothing to mar his Latin-American reception. They had received orders from Moscow to carry out the spirit of Camp David.

But now the Camp David spirit is out the window and every sign points to the probability that Eisenhower will get the roughest reception in Japan he has ever received abroad.

#### Electing Nixon From Moscow

Ambassador Mike Menshikov, one of the smartest diplomatic observers in Washington, has taken some unofficial polls of American public opinion regarding Khrushchev's attacks on Eisenhower and Nixon. They lead to the conclusion that if Khrushchev continues his attacks he will probably elect Nixon.

If Menshikov has sent these results to Moscow — and it's almost certain he has — then it's increasingly doubtful that Khrushchev's

## Think It Through

By E. F. HUTTON

**SOMETHING NEW IN POLITICS** — The pendulum of politics swings left to right, right to left.

This is as old as history. But today there is a new phenomenon — the popularity of millionaire candidates. The only candidates for President who are "poor" men are Nixon and Humphrey. All the others are either rich men, rich men's sons or rich wives' husbands.

Time was when millionaires were taboo and "one gallus," or a shoestring tie, or no necktie at all were sure fire vote getters.

I remember when "Sockless Jerry" Simpson of Kansas was in Congress. Simpson, without socks, brought the voters to the polls.

And then there was "Private" John Allen, Congressman from Mississippi. He had been a private in the Confederate army. The first time he ran for Congress, his opponent was a famous Confederate general. Allen stem-wound the voters with: "I shall treat my distinguished opponent with absolute fairness. I offer him the votes of all the generals so long as all the privates vote for me!"

He served for 16 years and was a great favorite on Capitol Hill.

Then way back in 1840, William Henry Harrison, a "plain man of the people," ran for President against the aristocrat, Martin Van Buren.

His campaign song went:  
"Let Van from his coolers of  
silver drink wine  
And lounge on his cushioned  
settee;  
Our man on his Buckeye  
bench can recline,  
Content with hard cider is he."  
Who won?

tirades have been aimed at influencing the American elections.

Note — There is one contrary theory held by some Senators — namely, that the Kremlin would like to see Nixon elected in order to keep the White House and Congress divided. There is no possible way by which the Republicans can win the Senate in November. It's mathematically impossible. And a divided government, with Republicans in control of the executive and Democrats in control of the legislative, could cause divided policy and divided leadership.

#### The President's Safety

The Secret Service, which has done a remarkable job of protecting Eisenhower on previous trips abroad, is really worried about the forthcoming trip to Japan. The Japanese government has promised to round up every crookpot, potential assassin, and Communist fanatic before Ike arrives and to ship them off to an island the same way De Gaulle handled French agitators prior to Khrushchev's recent visit to France.

However, even this is not likely to prevent unfriendly demonstrations. Some Secret Service men have suggested that the only way to prevent them would be to have Emperor Hirohito appear everywhere in public with Eisenhower. Japanese subjects customarily bow in the presence of the Emperor, which would prevent hostile demonstrations. However, it's highly doubtful the Emperor could accompany the President on all his many planned appearances in Japan, and, even if he did, it would be embarrassing.

## The Earth Endures—

The agony of Chile would be enough were it only to involve the salvaging of shattered lives and properties after last week's first earthquake. But the quakes, together with volcanic eruptions, seismic sea waves and rain have continued for days, compounding misery upon misery. Geologists say the entire topography of the country is being altered.

Billions of years after its birth, the world continues to undergo great changes in its crust, usually slow and unnoticed by the newcomers called human beings. But when the changes are sudden, man becomes aware that he is but a transient, probationary guest upon the restless surface of this globe.

## Guest Editorial

MONTREAL STAR: Mr. K. Talks Nonsense. —Mr. Khrushchev's sententious nonsense is destroying both the dramatic effect and propaganda value of his disclosure that Soviet forces had shot down an American plane spying out the Soviet Union. To hear him talk we might be led to believe, if we did not know better right here in Canada, that the Soviet Union never does any spying. Its hands, to hear Mr. Khrushchev tell it, are clean; there was never a Stalin, and murder and espionage are abhorrent to Communists.

Reading his concluding speech to the Supreme Soviet one is inclined to shout, "Come off it, Mr. K." Only Christians could do what the United States has done; Soviet atheists wouldn't dream of such immoral conduct.

Mr. Khrushchev takes in too much territory. For him the incident becomes an example of the difference between Communist and Western morality. It takes the edge off his case for westerners being assassins when he makes it at the moment when Trotsky's murderer leaves Mexico with Czechoslovakian passport and Cuban visa, tacit admission, never made until now, that the assassin acted on Communist instructions and is now under Communist protection.

When the Russian spy ring was uncovered in Canada we were alarmed. We were alarmed to begin with at the thought that such extensive spying could go on here for so long without our finding out about it. We were neither alarmed nor dismayed by the fact that it did go on. This was a game everybody played at and we were not naive enough to suggest that Russian political morality was lower than ours because it happened.

## Thought For Today

Do not neglect the gift you have, which was given you by prophetic utterance when the elders laid their hands upon you.—1 Timothy 4:14.

Now this is how I define talent; it is a gift God has given us in secret, which we reveal without knowing it.—Charles Monte-squieu.

"No Danger Ike, You'll Be As Safe Here as I Am"

### The World Today

## Japanese Threats Don't Scare Ike

By JAMES MARLOW

Associated Press News Analyst  
WASHINGTON (AP) — Thousands of Japanese threaten to demonstrate against President Eisenhower if he goes to Japan June 19. He says he will go. Some members of Congress think he shouldn't.

Why the visit? Why the protest?

The visit can be explained first and easiest. The President will leave Sunday on what has been billed as a goodwill visit to a number of Far Eastern countries, including Japan.

Just how much good is done by these goodwill visits by heads of state is questionable. Nevertheless, they have become almost a custom in the past few years.

The date of Eisenhower's arrival in Japan has significance. June 19 is the date when Japanese ratification of the new American-Japanese defense treaty goes into effect.

It's right on this point—the defense treaty—that the protest arises. Its roots go away back.

After the war this country not only helped the defeated and disarmed Japan get back on its feet economically but started it on a new political course of democratic government.

Still, this country kept its troops in Japan as an occupation force. In 1951 Japan, which still had no defense force of its own, agreed with this country to a defense treaty which many Japanese felt was an insult.

## Looking Backward...

**TWENTY-FIVE YEARS AGO**  
Mrs. Charles E. Yeater had as her guests on a trip to Bagnell Dam, Mrs. Harry Fink and Mrs. J. E. McCalley, of Los Angeles, Mrs. D. T. Abell and Mrs. Anna Abell.

**1935**  
Miss Carrington Shields, daughter of Mr. and Mrs. A. C. Shields, who has been teaching at Salem Academy, Winston-Salem, N. C., has gone to New York where she will spend the summer attending the New York School of Philanthropy.

**1935**  
Mr. and Mrs. T. W. Cloney II, daughter Caroline, and their guests Mr. and Mrs. Merrill Nevins, left by automobile for Iowa. They will visit friends in Sioux City and Des Moines.

**FORTY YEARS AGO**  
Vincent M. Carroll, former Sedalia, on the news staff of the St. Louis Post-Dispatch has been detailed to cover the Republican National convention in Chicago.

**1920**  
Arthur Scott returned from a short business visit in Kansas City.

**1920**  
The following were members of the graduating class of Sacred Heart school who received diplomas from Father Neiber: Arthur Binder, Harold Kane, Robert Giesing, Frank Eschbacher, Phillip Hayes, Paul Whitson, Reuben Mergen, Christian Westerman, Mary Agnes Riley, Margaret Sullivan, Ruth McCabe, Mary Frances McGaw, Minnie Pfeiffer, Elizabeth Franken, Bernadetta Paradis, Marie Mertes and Marjorie Bay.

They made these complaints:

It allowed the United States to keep its forces, number unlimited, in and around Japan indefinitely; it did not actually require the United States to defend Japan; it let this country use Japanese bases from which to dispatch troops to any Far East area; it left this country free to introduce any kind of weapons, including nuclear ones, into Japan; it gave this country a veto over any Japanese desire to let a third power have bases in Japan; there was no provision in the treaty for ever ending it; and it permitted U.S. forces to crush internal disorder in Japan, such as a Communist uprising.

Since then this country—because of the peace treaty—has let the Japanese rearm. They have now 165,000 ground troops, 27,000 men in their air force, and 23,000 in the navy.

Finally, to satisfy the Japanese, this country agreed to a new defense treaty which was signed Jan. 19, 1960.

Under it, the United States no longer has the right to crush an internal disorder; agrees for the first time in writing to come to Japan's defense in case of attack; agrees to consult with the Japanese government before making any change in its armed forces, weapons or bases; agrees to consult with the Japanese before deploying Japan-based American forces anywhere in Asia; gives up the veto power over letting a third nation have bases in Japan;

and the treaty can be ended in 11 years, although if neither side wishes to end it it can go on indefinitely.

There was widespread Japanese opposition to this treaty, and protest was made to the government of Prime Minister Nobusuke Kishi whose Liberal Democrats had an overwhelming majority in Parliament. He rammed it through.

This infuriated the outnumbered Socialists. They were and are a powerful force against the treaty. Then there were Japanese Communists who followed the line of the Soviet Union and Red China in denouncing the treaty.

Added to these are Japanese neutrals who fear military entanglement with the United States may get Japan involved in a Far Eastern war.

Then here are the Japanese students—sometimes called radical, sometimes liberal—who oppose militarism, fear a new kind of colonialism, this time by America; or believe the wave of the future in Asia lies with communism and Red China.

All these forces—Socialist, Communist, Liberal, radical, neutral—have combined to oppose the treaty and therefore Eisenhower's visit.

On top of all this most Japanese papers, while not necessarily opposed to the treaty, feel its ratification should not have been hurried. Many of them are demanding Kishi's resignation and new parliamentary elections to test the popularity of the treaty.

### The Doctor Says

## Body Reacts to Injuries With Pain Stab as Signal

By Harold Thomas Hyman, M.D.

Pain is the danger signal set off when any exposed area of our bodies is subjected to injury or abuse or when any organ is damaged or suffers functional disturbance.

Pain is probably the most frequent of all your complaints. When it is mild, of brief duration or located in what is considered a nonvital region like the fingers, toes, arms or legs, you can usually treat it yourself, at least for a while.

But when it's severe, recurrent, persistent, unresponsive to home remedies or it's located in what's considered a vital region like the chest, belly, eye, ear or head, it deserves the attention of a physician.

Pain is registered by no one but the patient.

The physician can only learn of its characteristics through the words of the sufferer. That's why it's so important for you to know something of the pain mechanism.

With the knowledge of how your signal system works, you're better equipped to help your physician correct whatever started the bells ringing and the lights blinking.

If you could make a microscopic examination of any skin area, you'd discover uncountable millions of delicately adjusted police and fire boxes. Some go off if you touch them. Some respond to pressure, others to heat or cold, still others to pain.

You can set them all going at once if, for example, you drop a hot iron on your foot. But you can't get the touch box to go

off unless it is touched.

Each of the others display just as much selectivity as the station dial on your TV set.

You can easily prove selectivity of this signal system.

Next time your doctor or dentist gives you a local anesthetic, notice that you feel his instruments touch you but you register no pain.

You may remark: "I can feel the knife but it doesn't hurt."

The cocaine-like drug has blocked the pain but not the touch signal system.

Now of course you realize that you must have a communication system that transmits these signals from nerve endings to a central office in the brain.

So, just like police or fire boxes or phones, each of these uncountable billions of signal stations is hooked up to a nerve fiber.

Each fiber links up with other fibers to form a cable. Relay systems are provided to send each message along the line from one to another length of fiber.

Sooner or later, each cable, carrying fibers and relay systems from a local call area, enters an opening in the vertebral column to make contact with a subcentral office in the spinal cord.

From the subcentral spinal office, the call is put through to a tiny master office in the brain.

Here, a microscopic brain cell registers the complaint of pain, locates it for you, tells you how severe it is, and presses buzzers so you can react with a howl and do what you have to do to get rid of or away from whatever it is that's causing your distress.

### Your Pocketbook

## Consider a Second Home For Vacations, Retirement

By Faye Henle

You don't have to be a millionaire to own a vacation home.

What might sound like a dream to you is fast becoming a reality because of our changing economy.

Figure what you normally spend on your vacation or even for a couple of off-season weekends. Multiply this figure to give you a five or ten-year range and read on:

Once you've got a tract of land—and land values throughout the nation have risen steadily over the years — for between \$1,500 and \$3,500 for materials you can build the structure shell of the house.

The secret is prefabrication. Largely, what you are getting is a plywood structure with walls, roofs and floors pre-cut for do-it-yourself assembly.

Fixtures for plumbing usually run about \$600 additional, plus the cost of labor.

Plans for some of these homes, drawn by recognized architects, are thrown into the package sold by lumber dealers.

The National Association of Home Builders reports that already upwards of a million people have leisure homes.

The trend is growing so fast that the Census Bureau claims that within a year or two they will have to make special counts of families with two residences.

Developing leisure home sites is now a billion dollar-a-year business against a 100 million dollar one four years ago.

Young families and old are in the act with incomes ranging up from \$4,000.

"Why would older people want a second home?" It asked a spokesman for the Douglas Fir Plywood Assn. He said surveys indicate that in recent years 70,000 vacation homes have been built to be used as retirement homes in later years.

A survey by the association shows that people are buying second homes because of the increase in leisure time.

In the past 20 years our leisure time hours have doubled and 85 per cent of us get paid vacations.

The desire to get out of a rut, to be creative, to own a new status symbol are other reasons given for wanting a second home. Many people consider these second homes excellent investments.

Increasing population and rising

incomes are expected to keep the demand high for the lakeside, hideaway, the seaside cottage.

Aiding the demand, too, is the fact that today we have 65 per cent more people over 60 years of age than we had in 1940 and twice as much mileage in surfaced roads than in 1946.

Since this is a relatively new trend, there is no uniform financing plan yet for the second home.

Currently the most common method of financing is the direct personal. This is usually a seven-year loan and the interest rates vary from 5½ to 7 per cent. Often people borrow this money on the equity in their permanent home or with such collateral as securities.

It is noted that savings and loan associations tend to be slightly more liberal than other institutions in financing leisure homes. Some financing also is available from dealers in home building materials.

Vacation homes offer tax advantages and could provide a second source of income should you decide you'd like to rent yours for a season, a week or for just weekends.

### matter of FACT

The most insulting remark you can make to a comedian is to tell him: "That joke's right out of Joe Miller." The grandfather of all stale jokes supposedly was Joseph Miller, an 18th century British actor. He doesn't deserve his reputation. In fact, "Joe Miller's Jest Book" was the work of another man and came out a year after Miller's death. It's a mystery why his name was used.

ELBOW ROOM—Births of new satellites and deaths of old ones in recent weeks leave a space population situation as shown in chart above. April and May saw the addition of three new American satellites, making a total of nine still in orbit. They are: TIROS I, still taking weather photographs; TRANSIT I-B, the navigational satellite, and MIDAS II, the infrared "spy in the sky." Russia's first shot since Lunik III (which took pictures of back of the moon, later burned up in earth's atmosphere) was the capsule with a dummy astronaut inside. Originally launched into an orbit of about 230 miles, something went wrong when Russians tried to bring it down and it went into a higher orbit. One Russian and two U.S. space probes following the sun are permanent fixtures.

### Wins the Silver Bowl

## Annual Rose Show Award Is Won by E. E. Brummet

E. E. Brummet, 1401 East 14th, received the silver bowl for the most points in roses exhibited at the 12th annual Rose Show held Saturday, June 4, at Sacred Heart Cafeteria. Mrs. Paul Read, Route 4, was awarded the silver candlesticks for the most points in arrangements. The bowl and candlesticks are from members of the Sedalia Rose Society, who sponsored the show. They are kept for a year by the members winning them and then returned to the society for the winners the next year.

There were 361 specimen stems and 39 artistic arrangements in the show. The blue ribbon winners were: Hybrid Tea Roses, single specimens:

White or near white: Mrs. Roy Fine on "McGready's Ivory," White Knight, Mrs. L. H. Hodges Light Yellow: Mrs. Edward Brummet on "Burnaby" Medium yellow: Mrs. P. L. Strole on "Golden Masterpiece" Deep yellow: Edward Brummet on "Golden Separator" Yellow blend: L. H. Hodges on "Fred Howard" Peace shown by Mrs. Edward Brummet, and Garden Party by Mrs. J. M. Palmer. Orange or orange blend: Wilford Acker on "Cover Girl" Light pink: Mrs. Edward Brummet on "First Love" Medium pink: Mrs. Edward Brummet on "Capostrano" Pink blend: Mrs. C. A. Wright on "Kardes Perfecta" (Queen of the Show); Confidence by Edward Brummet; Helen Traubel by Mrs. Wilford Acker; and Tiffany by A. A. Ferguson. Light red: Oscar H. DeWolf on "Tally Ho" Medium red: Mrs. Edward Brummet on "Aida" Dark red: J. M. Richardson on "Zulu Queen" Chrysler Imperial by Mrs. Wilford Acker (bronze medal winner); Crimson Glory, by Mrs. Edward Brummet (silver medal winner); Mirandy by Mrs. Oscar H. DeWolf. ## Top Teams Have Been Benevolent

Braves Are Gaining Ground  
As Bucs And Giants FadeBy ED WILKS  
Associated Press Sports Writer

If things keep up, those Milwaukee Braves are going to steal the scene from Pittsburgh's flopping Pirates and San Francisco's reluctant Giants in the National League race.

The Pirates, once again finding rough going on the road, lost their third in a row, 13-2 at Chicago, Tuesday but retained a one-game lead as the second-place Giants lost 5-1 to Cincinnati. It was the fourth time the Giants have blown a chance to close in on the Pirates in nine days.

Third-place Milwaukee moved within 3½ games of Pittsburgh and went two games up on San Francisco in the last column with a 6-4 decision at Los Angeles on five unearned runs. The Braves have won six of their last seven games.

Last-place Philadelphia stopped the rallying St. Louis Cardinals 5-3.

In the American League, Detroit slapped Baltimore 5-2 and trimmed the Orioles' lead to 1½ games over Cleveland. The second-place Indians collected six unearned runs and won 12-3 at Boston. New York defeated third-place Chicago 5-2. Washington

socked Kansas City 7-2.

The Giants, slumping in the clutch, didn't have a hit for 5-13 innings against young Jay Hook (5-4) and were shut out on two singles until the eighth. Then Jim Marshall hit a pinch triple and Willie McCovey, benched with Orlando Cepeda for weak work with

Stengel Back  
In Operation;  
Plans Change

NEW YORK (AP)—Casey Stengel, the Svengali of the dugout, is back in operation and the prospect of things to come would make strong men cringe.

The ancient skipper of the New York Yankees was given his physician's okay to return to the helm Tuesday and his operatives promptly belted the Chicago White Sox, 5-2.

"I'm gonna make a lot of changes," he rasped today, looking up and down the Yankee roster. "For six weeks I let all my guys play their positions. Now I'm gonna move them around."

Did Coach Ralph Houk, his heir-apparent, and the other members of the staff tell him what was going on while he was bedded down?

"What can they tell me?" he snorted. "I might have been in the hospital, but I can still see pretty good and I watched almost all the games on television."

"Some very strange things went on out there in the late innings. The club stood around waiting for the ball game to be handed to it. Sooner or later things start to happen by the other guy, the tournament is over and my guys are back in the club house."

The victory over the White Sox was the first time in five tries this year the Yanks have been able to beat the defending champions. Jim Coates threw a four-hitter and didn't allow an earned run.

"That's the way you gotta do it," croaked Stengel. "You can't pass the buck on them. You got to settle down and make them beat you cold-blooded if they can do it."

How about the treatment at the hospital?

"Wal," Case said, "they examined all my organs. Some of them are quite remarkable, and others are not so good. A lot of museums are bidding for them."

Eye Trouble  
Keeps Valdes  
Out of Ring

TORONTO (AP)—Nino Valdes, the 35-year-old Cuban heavyweight pointed to his left eye today and cried in broken english:

"Ten years I have this, ten year."

Valdes' scheduled bout with Canadian heavyweight champion George Chuvalo was called off Tuesday just six hours before they were to climb in the ring because, physicians found, Nino can barely see out of his left eye.

Valdes, whose ring career has spanned two decades, was inconsolable.

"I didn't know anything about this," said Valdes' manager, Al Braverman. "I signed him only May 8."

"But Nino has been passed in the last year by the New York State Athletic Commission, the British Board of Boxing Control and a whole bunch of others."

Braverman cabled London calling off next month's scheduled bout against British heavyweight Brian London.

"I am going to take Nino to New York to see the finest eye specialist in the world," Braverman vowed. "If he can't fight again I'll find him a job."

"Part of the difficulty could be that Nino has trouble with the English alphabet and pronunciation."

Dr. Thos. Flommerfelt, medical officer of the Ontario Athletic Commission said "I don't go for that Spanish alphabet stuff. I was not satisfied with his eyesight when he took the tests and I sent him to a specialist, who confirmed my findings."

Merv McKenzie, Ontario athletic commissioner said "I don't know where he has been passed, but he certainly can't pass the exam here."

Valdes fought his first professional bout in Havana on Dec. 27, 1941. He knocked out Basilio Ayebran in Havana in three rounds. Since then he has fought most of the top heavies.

Loose Playing  
In Babe Ruth's  
Monday Opener

In the two games played Monday night in Babe Ruth, Rotary defeated Brown's Supply 16 to 12 while in the nightcap Western Auto had things their way over Andersons 11 to 1.

The opener wasn't too good for ball playing with the pitching being anything but good and fielding rather ragged. Browns accounted for five errors and Rotary four. Free trips to first base were frequent. Brown's pitching staff allowing 12 while Rotary mounds-men gave up 15.

Both teams had big seven inning scoring with Brown's running across seven in the bottom half while Rotary chalked up six in the top frame.

Hitting honors for Browns went to Bob Nagel with two hits while Terry Fletcher rapped out a two-run triple. For Rotary, Jack Taylor had three for three and Jerry Smith hit a double.

Taylor was the winning pitcher and Mathews the losing hurler. In the second game Don Wilhite had a no-hit game going until the fifth for Western Auto, although errors allowed one run.

Hitting stars of the game were Mike Green, Ben Smethers and Don Wilhite for Western Auto each getting two safeties. Dave Woolery slammed a long drive for a triple to score three runs.

Wilhite was the winning pitcher and Racemass the losing pitcher for Anderson's.

Western Auto scored one in the first, five in the second, and five in the fourth. Anderson's came in the fifth.

Pacheco's Condition  
Listed As Critical

NEW YORK (AP)—The condition of 21-year-old lightweight Tommy Pacheco was described as "critical" early today.

Benny Gordon stopped Pacheco just 11 seconds before the end of their scheduled 10-round Monday night at St. Nicholas Arena. Pacheco toppled over and hasn't regained consciousness yet.

Only one of the Central American republics remains predominantly Indian: Guatemala.

## Democrat-Capital

BOXER CRITICAL AFTER KAYO—Tommy Pacheco, left, 20-year-old Puerto Rican lightweight, and Benny Gordon of New York mix in New York City. Moments later Pacheco collapsed over the ring ropes after a flurry of blows by Gordon. Pacheco was reported in critical condition at a hospital following brain surgery. (AP Wirephoto)

Open Tourney  
Entries Keep  
Eye On Wall

By THE ASSOCIATED PRESS

Art Wall Jr. is back, so the 149 other qualifiers had better keep a wary eye on him in the National Open golf championship at the Cherry Hills Country Club in Denver June 16-18.

The slim pro from Pocono Manicor, Pa., was leading money winner on the tour last year, his list of victories including the Masters. This year he was handicapped by an ailing knee, and has played comparatively little. He was unable to defend his Master's crown.

But Tuesday he shot a torrid 65-63—128 over the Twin Hills course in Oklahoma City to top the 34 qualifiers from that section, and be nine strokes better than the low scorers of any of the 12 other districts.

Wall's 128 was 14 strokes under par for the two rounds over the pay 71 layout, and was achieved through 15 birdies and going over par only once. He needed only 46 putts.

A total of 91 players qualified in nine districts Tuesday. Thirty-eight qualified in the play in four districts Monday, making the total for the two days 129. Twenty-one were qualified automatically.

The Oklahoma section was the focal point of the day's play, with 34 players being qualified there, including many of the current touring pros.

There were a few casualties among the "name" players. Jack Burke Jr., of Kiamisha Lake, N.Y., lost out in a playoff at Oklahoma City, and Al Bessellink of

Famed Cager Named  
Coach in New York

NEW YORK (AP)—Nat Holman, who on New York's Lower East Side learned the rudiments of the game in which he reached the top as player and coach, is retiring after a 40-year career as basketball coach at the College of the City of New York.

No individual in basketball history has been more closely associated with the game for so long a period than the 63-year old Holman.

As a player he gained fame with the original New York Celtics, with whom he played for nine years. As a coach his teams posted a 227-65 record through his first 20 years, tailed off somewhat during the war years and then rebounded for a 90-26 five-year mark climaxed by the only "grand slam" in basketball history.

The "grand slam" came in the winning of both the National College (NCAA) and National Invitation Tournament (NIT) championships in 1950. But that great team was wrecked the next year with the exposure of the basketball fix scandals and CCNY withdrew from big time basketball.

Stars of the sixth magnitude are visible to the naked eye.

Grossinger, N.Y., Hillman Robbins of Memphis, Tenn.; Bill Collins of Baltimore and Don January of Dallas also failed to make the grade there.

At Dearborn, Mich., Denny Shute and Bob Inman failed the Burke Jr., of Kiamisha Lake, N.Y., lost out in a playoff at Oklahoma City, and Al Bessellink of

## Four-for-six Lately

Sluggers Fired Up;  
Tigers Look Better

By ED WILKS

Associated Press Sports Writer

Now that Charlie Maxwell and Rocky Colavito are fired up again, those in-and-out Detroit Tigers may be ready to roll in the American League race.

The two sometimes sluggers have walloped eight home runs and batted in 13 of Detroit's 25 runs while the fifth-place Tigers have won four of their last six games.

It was Maxwell's eighth home run of the season, fourth in the hot streak, that clinched a 5-2 victory at Baltimore Tuesday night, trimming the Orioles' lead to 1½ games over second-place Cleveland.

The Indians, handed six unearned runs, romped 12-3 at Boston. Chicago's third-place White Sox lost 5-2 at New York. Washington rapped Kansas City 7-2.

In the National League, Pittsburgh lost its third in a row, 13-2 at Chicago, but retained a one-game edge over second-place San Francisco, beaten 5-1 by Cincinnati. Milwaukee defeated Los Angeles 6-4. Philadelphia beat St. Louis 5-3.

The Tigers, 5½ games behind Baltimore, backed southpaw Don Mossi with 10 hits off loser Hoyt Wilhelm (2-3) and three relievers. Steve Bilko also homered for Detroit, but it was Maxwell's two-run shot in the third that did it. That gave Maxwell seven RBI in six games. Half of his eight hits in that span have been homers. Colavito failed to drive in a run, but ran his hit streak to four games with 2-for-4.

Mossi (3-3) allowed just six hits, and Jackie Brandt's solo sixth homer was the only extra-base blow.

The Indians, 3-0 against Boston, scored four unearned runs in the fourth. Two came in on a walk and four consecutive errors before Vic Power, who drove in four runs, capped it with a two-run homer. Jim (Mudcat) Grant (4-1) won his fourth in a row, giving up Boston's runs on homers by Marty Keough and outfield veteran Bobby Thomson, who committed two of the Red Sox' five errors in his debut as a first baseman.

New York beat the White Sox for the first time in five tries

this season with a three-run third inning that tagged Early Wynn (2-5) with his fourth straight loss. Tony Kubek doubled home two runs in the third, then scored the clincher on two infield outs. Right-hander Jim Coates (6-0) won his 10th in a row for a 12-1 career record. He allowed only four singles, two by Luis Aparicio.

Harmon Killebrew drove in two runs, one with his fourth homer, as the Senators cracked 15 hits an regained sixth place from the A's. Camilo Pascual (6-4), given relief help when he seemed to fire in the seventh, allowed only three hits—two of them homers by Norm Siebern and Russ Snyder.

Lamar Tech Defends  
Tennis Title Soon

KANSAS CITY (AP)—Lamar Tech of Beaumont, Texas, featuring defending singles champion Reginald Bennett, will try for its sixth successive National Intercollegiate (NAIA) tennis championship beginning tomorrow.

A record 70 entries from 29 colleges are entered in the tournament to be played on the Rockhill Play will run through Saturday.

Lamar Tech recently won their ninth straight Lone Star conference title. With Bennett and the 1959 runnerup, Armando Ferla, around the Beaumont team is a good bet to repeat its laurels.

Pan American College of Edinburg, Tex., with its champion doubles team of John Sharpe and Don Russell returning, is regarded as the toughest threat to Lamar Tech. Pan American was runner-up in team competition last year.

## Report 6 Deaths

JOHANNESBURG, South Africa (AP)—Six Africans were killed and 21 arrested when police intervened in a tribal clash in Pondoland, south of Natal, Justice Minister Francois Erasmus said today.

## Blonde's Body Found Inside a Trunk

ST. JOHN'S, Nfld. (AP)—Canadian police and railroad officials are trying to find out who shipped a trunk from Toronto to Argentina May 4 with the body of a peroxide blonde inside.

The party decomposed body was discovered Tuesday at the railroad express office in Argentina, a naval base about 90 miles from here.

The unidentified woman was in

## Becomes Best Seller

WASHINGTON (AP)—The 1959 annual report of the House Committee on Un-American Activities has become a congressional best seller.

The original printing of 5,400 copies early this year has been exhausted. The House Tuesday unanimously approved printing of an additional 5,000 copies.

her 20s, 5 feet 1½, and weighed about 115.

## Man Killed by Train An Apparent Suicide

ROGERSVILLE, Mo. (AP)—An unidentified man apparently committed suicide when he stepped in front of an eastbound Frisco train about a mile and a half east of Rogersville Tuesday night.

Engineer Eugene Price, Rt. 4, Springfield, said he saw the man sitting near the tracks as the train approached. When price blew the whistle, he told investigating officers, the man got up, walked east alongside the tracks and as the train drew within 100 feet of him he faced the train, stepped onto the tracks and got down on his knees as though starting to lie between the tracks.

An officer said identification will have to be made from fingerprints.

## Linse Death Reported By the Communists

BERLIN (AP)—Dr. Walter Linse, a Berlin attorney kidnaped in an open street by Communists eight years ago, has died in jail in the Soviet Union, the West German Red Cross reported today.

The Soviet Red Cross informed the West German Red Cross he died Dec. 15, 1953, at the age of 49.

Linse was a leading official of the Anti-Communist League of Free Jurists, dedicated to exposure of persecution of political opponents by the Communist dictatorship of East Germany. He was snatched by German Communist agents in the American sector of Berlin July 8, 1952.

## Pay Cut Is Proposed For Congressmen

WASHINGTON (AP)—Sen. Wayne Morse (D-Ore) has proposed a pay cut for Congress members—to a rate of 53 cents an hour. They now get \$22,500 a year plus extras.

Morse told the Senate Tuesday he was introducing the pay cut bill because the Senate Labor Committee hasn't approved a \$1-an-hour minimum wage for laundry workers. He said thousands of laundry workers are paid as little as 53 cents an hour.

## Ship to Scrap Pile

PORTSMOUTH, England (AP)—Britain's last battleship, the 44,500-ton Vanguard, is headed for the scrap pile. Completed in 1946, it cost \$2.80 a week to keep her afloat and in top shape. The government decided that was too much.

## Mountain Climbers Too Late for Record

KATMANDU, Nepal (AP)—Another mountain conquered, the British and Nepalese climbers thought as they struggled to the windy peak of Annapurna 4.

But there on top was a dirty handkerchief. The handkerchief belonged to one of the expedition's Nepalese guides, who admitted he and a companion had gone ahead to the top of the 24,000-foot mountain in west central Nepal.

The expedition returned here Tuesday.

# 'Here Comes Shylock Again; Don't Take Back TV Set'

By HAL BOYLE

NEW YORK (AP)—Remarks an installment collector gets tired of hearing:

"Here's \$10 on account—account of that's all I got."  
"Honest, I was going to pay you, but I took a vacation instead—just to get away from my money worries."

"Don't take the television set. If you have to take anything back, take the sofa. Then we can still lie on the rug and watch the programs."

"Well, let's be sporting about it. I'll pay you \$5 now, and \$5 the next time you catch me."

"Shut the door quick, Martha, here comes Shylock again."

"You mean I dated that last check June 1, 1970? How could I have been so careless? Well, you'll have to wait until next month now. I don't have any more dough left in the bank."

"Go on and sue me if you want to. But you'll have to stand in line. There's a lot of people ahead of you."

"How can you garnishee my wages when I'm self-employed? I am, that is, when I work."

"Don't sic the dog on him now. Wait until he gets into the yard and closes the gate."

"It don't do you no good to catch me at home. It's my wife you gotta catch. She's the one who mishandles the money in this family."

"Look, suppose I slip you \$7.50 personally, and you go back and tell your boss we moved to Australia and didn't leave a forwarding address. Okay?"

"For the last time I tell you—I will not be responsible for my husband's debts. Sure, I know he bought the ring on time. But the ring is mine—the debt is his."

"Go ahead and take back the crib. Junior's in the second grade now."

"It's been one thing after another. First my ulcer kicked up, then grandma fell off the ski slide, and now my wife's gall bladder is—"

"You don't worry me anymore. I've already applied for bankruptcy."

"Don't threaten me, Buddy. After all, it's slow-payers like me that keep guys like you in jobs."

"The government owes billions—and you get hysterical over a lousy \$76."

"I have written a long letter to your company explaining everything. Can you lend me a stamp?"

"Yes, they used to live here, but they moved last week. Very mysterious, too. A big truck came about midnight. Nobody knows where they went."

## Missouri Can Show You . . .

### CONCEPTION ABBEY at Conception

Off State Highway 4, 20 miles southeast of Maryville, amid orchards and farmlands, cluster the red brick buildings of the Benedictine Abbey of the Immaculate Conception. Within this tranquil setting live some 140 monks and 300 seminary students.

Visitors are welcome and are guided through farm buildings, gardens, and the many craft shops. Perhaps most impressive is the church whose frescoes depict, in the century-old Beuronese style, the lives of Jesus and St. Benedict, and whose library displays early Americana and a collection of ancient manuscripts from 500 to 1000 years old.

Missouri Division, United States Brewers Foundation, 915 Olive, St. Louis 1.

Missouri can show you a rich and fascinating history in many fields. Since 1810, for instance, Brewing has been an important Missouri industry—and today "Beer Belongs" throughout the state. The United States Brewers Foundation, working in cooperation with all who sell beer and with public authorities, conducts a program designed to assure the sale of beer under orderly wholesome conditions.

## Brownies Tour Sedalia Firms

Members of Brownie Troop No. 315, of Knob Noster, spent Monday touring several companies representative of Sedalia's business and industry. Under the leadership of Mrs. F. D. Welch the troop was first conducted through the Sedalia Democrat Co., where the girls were shown how milk is processed after being received from the farmer. More attention was given, however, to the way in which ice cream is made.

The tour continued to the Bell Telephone Company building. There the girls were able to see the intricate and massive wiring setup which controls the new dial telephones.

Next was a visit to the downtown Fire Department Building, followed by a trip through the Pepsi-Cola Bottling Plant. The

last stop was the Home of the Missouri Pacific.

At noon the group had a picnic at Liberty Park.

Brownie members present were Misses Delores Almager, Nanette Smiley, Shelia Sandven, Susie Kay, Becky Slay, Carol Emig, Deborah Thompson, Bobbie Lee Rombold and Patricia Ann Oswald. Guests were Miss Kathy Rife of Troop 307 and her leader,

Mrs. D. W. Rife; Miss Maria Almager of Troop 316 and Mrs. Kenneth Smiley, leader; and Misses Mary Vivian Welch, Terry Rombold, Linda Rombold and Barbara Rombold.

# EVERY WEEK 10,000 PEOPLE BOUNCE ON ITS SEATS, HONK ITS HORN, KICK ITS TIRES, SLAM ITS DOORS, SHOP ACROSS THE STREET AND THEN RETURN TO BUY THIS CAR!

Falcon is having the best first year any car ever had . . . over 250,000 already sold since introduction . . . going at the record rate of 10,000 every week. What makes Falcon the world's most successful new car?

### Economy!

To begin with, Falcon is America's very lowest-priced 6-passenger car . . . \$64 to \$154 less than the other compacts.

"Falcon delivers the best fuel economy of the three new compact

cars," says *Motor Trend* magazine. Owner reports and fleet operator logs consistently show Falcon mileage figures of up to 30 miles per gallon with regular gas.

Falcon goes 4,000 miles between oil changes, costs less to service, less to license and in most places, less to insure.

Falcon saves you more and still gives you full room for 6 big people and all their luggage. Small wonder Falcon has become first so fast!
